

Scottish Vineyard's
Conference

11-13 March 2011

SPEAKERS

John & Eleanor Mumford

John and Eleanor Mumford are the National Directors of Vineyard UK & Ireland. Together they worked for nearly two years with John Wimber on the staff of the Anaheim Vineyard in California before planting the SW London Vineyard in 1987. They handed over the leadership of that church in 2008 in order to concentrate more upon the oversight and development of the Vineyard movement, both nationally and internationally.

Alan Scott

Alan and his wife Kathryn are the senior pastors of Causeway Coast Vineyard in Northern Ireland. They planted the church in 1999 after spending some years ministering in Glasgow. Their passion is to see lives increasingly transformed and the multiplication of missional communities throughout the whole of Ireland.

THE CONFERENCE

THE PURPOSE OF THE WEEKEND

Our passion is to love God, love people and grow in relationship with Him. The weekend is a great opportunity for us to meet together, share fellowship and encourage one another. Our desire is for you to come and meet with God, spend time with Him and to be refreshed and equipped for God's mission.

SEMINARS

Seminars and workshops will take place on Saturday afternoon and we are excited to hear from John, Eleanor and Alan as they come and share with us.

THINGS TO DO

The Hotels offer a great selection of facilities at your disposal throughout the weekend. Your days could be spent at the Gravity Health & Leisure Club, which offers an indoor swimming pool, gymnasium, sauna, a substantial steam room and an invigorating Jacuzzi. There are also two 18-hole Golf Courses – The Montgomery and The Bruce. Both courses are deemed by many to be amongst Scotland's hidden gems and we are lucky to be offered discounted rates. Or for the less adventurous, why not relax in Rushes Bar which offers an extensive selection of drinks from cocktails to malt whiskies.
